Rules:

Each win gives three points

An equal result in group stage will be ok

An equal result in semi final or final will be followed by "Sudden Death" (5 min).

NB: if there is a time constraint, the captains might decide on a direct penalty shoot out.

An equal result after "Sudden Death" will be followed by penalty shoot out (5 players or til end)

After points, goal difference will count

After goal difference, highest number of scored goals will count

After number of scored goals, internal result between two (or more) teams in question will count

Last outcome will be draw

The two teams that lose the semi finals will make a penaltly shoot out to decide the bronze winner (to take place before final)

"Away team" wears wests if shirt colours are the same
